DT BISTRO | PRIVATE FUNCTIONS & PARTIES

Our Chef, Donald Duong, is obsessed with parties; he even collects books on entertaining! His enthusiasm for private functions and parties gives us a dedication to food but just as importantly service. We have done a lot of functions and can comfortably say we are good at them. Our upstairs Tea Room & Garden is an airy and light space surrounded by windows and can accommodate up to 40 guests and friends. Down stairs our uniquely designed main dinning room can fit up to 46 guests. Perfect for bridal showers, baby showers, company functions, birthdays, clubs or simple get togethers. We've served them all. For any inquiries about private functions please email us at bistro@desserttrends.ca
